

**Proposed Recipient:** Caduceus Occupational Medicine and Hosea Feed the Hungry Disease Management Electronic Medical Records System

**Address of Recipient:** 535 North Central Avenue, Hapeville, GA 30354

**Amount of Request:** \$5,000,000

**Explanation of Request**

**Purpose:** In collaboration with Hosea Feed the Hungry, Caduceus Occupational Medicine will use the funding for the development and implementation of a Disease Management Module for Electronic Health Records Systems. The system will focus on embedding health data measurement, best practices for disease management and outcomes measurement for diseases including prevention and wellness

**Why is it a good use of Taxpayer funds:** The target population exists in numerous communities throughout the country and will serve as a national model for the development of Electronic Health Systems. This will be useful for underserved populations and help facilitate a healthier, more productive workforce. This is a synergistic, efficient, and cost-effective solution.
